<input type="checkbox"/> RP10D30G	22 GA. (.030")	Galvanized	1.44#

Technical

**FINISH:** Standard are White (F41), Baron Ivory (F105), and Victorian Gray (F307)  
 Custom are electro statically applied poly-urethane epoxy paint (F47)  
 Premium are Satin Anodized (F23R), Brushed (F98), and Stainless (F08)  
 Kynar: 32 in stock colors

**FIRE CODE:** Metal is non-combustible (ASTM E-84)

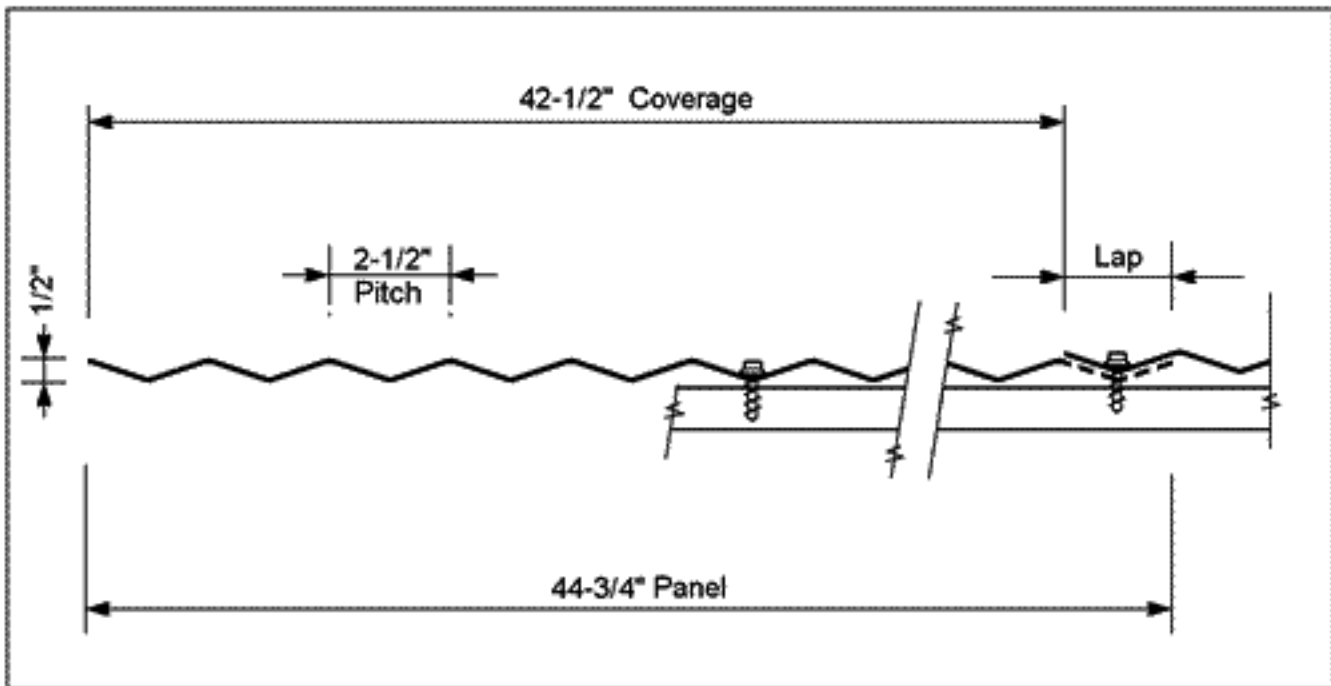

**PERF PATTERN:** Standard perf is "P8" = 1/8" diam. by 21/64" staggs  
 Other patterns available upon request

**PANEL LENGTH:** Standard length this profile is 10'-0"  
 Other lengths available upon request from 2' to 10'

<input type="checkbox"/> RP63D18G	26 GA. (.018")	Galvanized	0.86#
<input type="checkbox"/> RP63D24G	24 GA. (.024")	Galvanized	1.15#
<input type="checkbox"/> RP63D30G	22 GA. (.030")	Galvanized	1.44#

## Technical

**FINISH:** Standard are White (F41), Baron Ivory (F105), and Victorian Gray (F307)  
 Custom are electro statically applied poly-urethane epoxy paint (F47)  
 Premium are Satin Anodized (F23R), Brushed (F98), and Stainless (F08)  
 Kynar: 32 in stock colors

**FIRE CODE:** Metal is non-combustible (ASTM E-84)

**PERF PATTERN:** Standard perf is "P8" = 1/8" diam. by 21/64" staggs  
 Other patterns available upon request

**PANEL LENGTH:** Standard length this profile is 10'-0"  
 Other lengths available upon request from 2' to 10'
